

EXPERTS IN SOLVING MISSION-CRITICAL CHALLENGES.

Together with our new parent company, GracoRoberts, Silmid is proud to be the largest, fastest, and most technically-focused aerospace chemical distribution company in the world.

With our global reach, extensive product catalogue, and team of technical experts, we can deliver the depth and breadth of solutions to support your requirements.

COMMITMENT TO QUALITY AND SERVICE

Through GracoRoberts, Silmid & Resin Formulators are fully qualified to design, manufacture, and distribute products to a variety of industries. We are independently certified to three rigorous international quality standards: ISO 9001:2015, AS9100 (Rev. D) and AS9120 (Rev. B). To verify compliance with the requirements of these certifications, we engage in routine on-site examinations, self-reviews, and audits of our processes.
