

BONDERITE

BONDERITE C-AK DW 805 AERO DRY WASH AIRCRAFT CLEANER

Ideally suited for cleaning the entire airframe without water

Customers are facing difficulties while using traditional cleaning products:

- » High volume of water waste
- » Long maintenance downtime and turnaround time
- » High frequency cleaning session per annum

BONDERITE C-AK DW 805 AERO is a ready-to-use product that requires no additional water rinsing. It can be applied by spray or damp cloth, it cleans gently and leaves a protected, high gloss surfaces.

It meets following specification requirements:

- » Boeing D6-17487
- » Airbus AIMS 09-00-002-3
- » AMS 1650C / 1526

Henkel

BONDERITE C-AK DW 805 AERO DRY WASH AIRCRAFT CLEANER
